# *DEDICATION*

The Editor and Staff of the 1980 Wolfpack Annual proudly dedicate this annual to a very special lady; Mrs. Joyce Mitchell.

Mrs. Mitchell has been a teacher here at Davis for eighteen years, and through these years she has taught and explored many different fields of education. She is a lady who is not only dedicated to her work, but dedicated to the many students with whom she comes in contact. Through her dedication she has provided us with inspiration, knowledge, and a better understanding of life.

She is a very gracious lady, and it is with great honor that we dedicate this 1980 Wolfpack Annual to her.

## *SENIOR CLASS FAVORITES*

Chris Edgmon  
and  
Machele McNeil

As our graduation grows closer and closer, we as individuals are excited by the expectations of our new lives ahead of us, and we welcome the challenges. Though, through the years we will always cherish the fond memories of our good times together here at Davis High School and reflect upon them as some of the greatest times of our lives. As Seniors we would like to express our gratitude to our teachers and our parents for giving us these opportunities to grow and better ourselves.

From the Senior Class of 1980
